400 Series Regulator Gauges

400 Series 2" (53mm) brass regulator gauges feature brass stems and brass-plated stainless steel cases. 400 Series 2" (53mm) stainless steel regulator gauges feature 316 stainless steel stems and cases. All 550 Series gauges are 1/4" MPT bottom mount and are cleaned for oxygen service per ASME B40.1.

2" Brass

300 Series Regulator Gauges

300 Series 2" (53mm) chrome-plated brass regulator gauges feature nickel-plated brass stems and chrome-plated cases. 300 Series 2" (53mm) stainless steel regulator gauges feature 316 stainless steel stems and chrome-plated or stainless steel cases. All 550 Series gauges are 1/4" MPT bottom mount and are cleaned for oxygen service per ASME B40.1.
