

Medical Air Flowmeters

Medical Air Flowmeters

These 2000 series flowmeters have a patented relief mechanism for increased protection to both operator and equipment in the event of over-pressurization. A flowmeter tube and casing made of clear, impact-resistant Lexan® and a new DYNASTEM™ extended life flowmeter stem system for precise flow settings.

Gas Service	Model No.	Flow Range	Inlet	DISS Outlet
Air	805 2084	1-8 LPM	¼" MPT	1160
	805 2085	1-8 LPM	⅛" FPT	1160
	805 2154	1-15 LPM	¼" MPT	1160
	805 2155	1-15 LPM	⅛" FPT	1160
	805 2164	1-8 LPM	⅛" FPT	1240
	805 2165	1-15 LPM	⅛" FPT	1240
	805 2250	1-8 LPM	Puritan	1240
	805 2280	1-15 LPM	Puritan	1240
	805 2188	Adapter	Puritan	1/8" MPT
